**SCHEDULES OF ASSETS AND LIABILITIES FOR
LEVITZ FURNITURE, LLC**

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY, AND DISCLAIMER REGARDING
DEBTORS' SCHEDULES AND STATEMENTS**

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed by Levitz Home Furnishings, Inc. (Case No. 05-45189), Levitz Furniture Corporation (Case No. 05-45194), Levitz Furniture, LLC (Case No. 05-45198), Levitz Shopping Service, Inc. (Case No. 05-45200), Levitz Furniture Company of Washington, Inc. (Case No. 05-45213), Levitz Furniture Company of the Midwest, Inc. (Case No. 05-45212), Levitz Furniture Company of Delaware, Inc. (Case No. 05-45211), John M. Smyth Company (Case No. 05-45207), Seaman Furniture Company, Inc. (Case No. 05-45214), Seaman Furniture Company of Pennsylvania, Inc. (Case No. 05-45216), Seaman Furniture Company of Union Square, Inc. (Case No. 05-45217), Paralax Development Industries, Inc. (Case No. 05-45143), and RHM, Inc. (Case No. 05-45204) (collectively, the "Debtors"), debtors and debtors-in-possession in the above-captioned Chapter 11 cases, are unaudited and were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtors' management. While the Debtors' management of the Debtors has made reasonable efforts to file complete and accurate Schedules and Statements based upon information available at the time of preparation, the Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. The Debtors reserve the right to amend their Schedules and Statements from time to time as may be necessary or appropriate. This Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") is incorporated by reference in, and comprises an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1) Description of the Cases and "As Of" Information Date. On October 11, 2005 (the "Petition Date"), each Debtor filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101- *et seq.* (the "Bankruptcy Code"). The Debtors' cases are jointly administered under case number 05-45189. The Debtors are currently operating their businesses and possessing their property as debtors-in-possession under Bankruptcy Code §§ 1107 and 1108 of the Bankruptcy Code. Except as otherwise noted, all asset and liability information is as of the Petition Date. The Debtors have made every reasonable effort to allocate liabilities between pre-Petition Date and post-Petition Date periods based on the information and research conducted in connection with the preparation of the Schedules and Statements.

2) Basis of Presentation. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors.

3) Summary of Significant Reporting Policies. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

a. Fair Market Value; Book Value. Unless otherwise noted, the Schedules and Statements reflect the carrying value of the liabilities as listed in the Debtors' books and records. Where the current market value of assets is unknown, the Debtors have based their valuation on book values; however, particularly with respect to machinery and equipment, the Debtors believe the actual value may be substantially lower. Where known, accumulated depreciation of assets has been noted. The Debtors' books and records reflect collective accumulative depreciation for fixtures, air conditioners, furniture and signs. Accordingly, where applicable, fixtures have been identified on Schedule B.26, not Schedule B.27.

b. Inventories. Inventories are valued in the Schedules and Statements at the values indicated on the Debtors' books and records.

c. Intercompany and Other Transfers. Although separate Schedules and Statements have been prepared and filed for each of the Debtors, certain of the information set forth in the Schedules and Statements has been prepared on a consolidated basis. As a result, the Schedules and Statements do not reflect intercompany activity or balances. In addition, pursuant to the terms of the Debtors' prepetition cash management system and revolving credit facility, the agent bank for the Debtors' prepetition secured lenders made daily sweeps of certain of the Debtors' bank accounts. The details regarding these sweeps are not provided in the Statements.

d. Real Property and Personal Property--Leased. In the ordinary course of their businesses, the Debtors lease real property and various articles of personal property, including furniture, fixtures and equipment, from certain third-party lessors. All such leases are set forth in the Schedules and Statements. The property subject to leases is not reflected in the Schedules and Statements as either owned property or assets of the Debtors or property or assets of third-parties within the control of the Debtors. The lease payments under such leases have been included on Schedule D (secured debt) to the extent the lessor filed a UCC-1. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to all such issues.

e. Causes of Action. The Debtors reserve all of their rights with respect to any causes of action they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

f. Schedule D. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all of their rights to dispute or challenge the secured nature of any such creditor's claim or the

characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim. The descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

g. Schedule G. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature, if any, have been scheduled to the best of the Debtors' knowledge. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules and Statements, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

h. Claims. Certain of the Debtors' Schedules and Statements list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The Bankruptcy Court has authorized the Debtors to, among other things, continue certain customer practices and to honor certain prepetition customer obligations; pay certain insurance financing premiums; pay certain prepetition shipping charges; and pay certain prepetition sales and use taxes. Pursuant to this authority, the Debtors believe that all prepetition taxes have been paid and that all customer deposits have been or will be honored. Accordingly, prepetition taxes and customer deposits have not been identified on the schedules, and the actual unpaid claims of creditors that ultimately may be allowed in these cases may differ from the amounts set forth in the Schedules and Statements.

i. Employee Claims. The Bankruptcy Court entered an order authorizing the Debtors to pay prepetition and postpetition employee wages, salaries, benefits and other obligations. The Debtors employed approximately 2,792 employees (2,549 full-time employees and 243 part-time employees) as of the Petition Date. Accordingly, only employee claims against the Debtors for prepetition amounts that have not been paid as of the time that the Schedules and Statements were prepared, if any, and employee claims for items not authorized to be paid by order of the Bankruptcy Court, if any, have been included in the Schedules and Statements.

j. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit each of the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or status.
